LETTER OF APPRAISAL

To Whom It May Concern

Cityscape Architects have done several projects for the City of Radnevo over the past 3 years, the most notable being "Reconstruction and modernization of Central City Park – Radnevo" and "Reconstruction and modernization of Central pedestrian lane - Radnevo".

In the process Cityscape architects demonstrated unusual professional dedication to the success of the project. Their willingness to listen to the Municipality Staff and the Town Council members was extremely helpful. Collaboration with them was easy and fluent.

They have proven their ability to integrate program requirements, various consultations and government agencies' directives and do that within the budget restraints and on schedule.

I would highly recommend Cityscape Architects for any project and would be happy to discuss other details about them at any time.

Sincerely,

ALEXANDER IVANOV
DEPUTY MAYOR
